

LYRIC SHEET FOR 'HEALER OF MY HEART'

God's Unchanging Hand

Time is filled with swift transition
Naught of earth unmoved can stand
Build your hopes on things eternal
Hold to God's unchanging hand.

Hold to God's unchanging hand
Hold to God's unchanging hand
Build your hopes on things eternal
Hold to God's unchanging hand

Trust in Him who will not leave you
Whatsoever years may bring
If by earthly friends forsaken
Still more closely to Him cling

When your journey is completed
If to God you have been true
Fair and bright your home in glory
Your enraptured soul will view

Healer of My Heart

Well I walked through the valley with this burden on my back
Oh I carried the weight of my fears
But every past disappointment has become a joyful song
And His love has replaced all my fears

Now I'm as light as a feather
I'm as bright as a star
He has restored my crown forever
He is the healer of my heart

Well those words cut right through me in the shadows of the night
But those words, they cannot harm me anymore
There is a hope that surrounds me, my Redeemer by my side
As I rest in the grace of the Lord

No more shall my weary head hang low
No more shall I cry
Jesus is the keeper of my soul
And I will lift my praises to the sky

He is the healer of my heart

We Travelled so Far

I found myself wondering today
Why do some go and some stay
Do each of our hearts know their way
Through valleys of trials and tears
Across oceans of longing and years
And the sound of it all in my ears
I travelled. I travelled so far to be here.

And you with the blue in your eyes

The storms of life leave a few lines
And squinting you search for the signs
Of kindness, of love of someone, to walk with in rain or in sun
Until then life's hardly begun
You travelled. You travelled so far. You travelled so far to be here.

It's worth it all learning at last
The future begins with the past
Step out of the shadow it casts
And let the sun shine on your shoes
Kick them off in the rain if you choose
There's nothing like nothing to lose
We travelled. We travelled so far
We travelled. We travelled. We travelled so far.
We travelled so far to be here.

The Promise

I never said that I would give you silver or gold
Or that you would never feel the fire or shiver in the cold
But I did say you'd never walk thru this world alone
And I did say don't make this world your home

I never said that fear wouldn't find you in the night
Or that loneliness was something you'd never have to fight
But I did say I'd be right there by your side
And I did say I'll always help you fight

'Cause you know I made a promise that I intend to keep
My grace will be sufficient in your time of need
My love will be the anchor that you can hold on to
This is the promise, this is the promise I've made to you

I never said that friends would never turn their backs on you
Or that the world around you wouldn't see you as a fool
But I did say, like me, you'll surely be despised
And I did say, My ways confound the wise
I didn't say you'd never taste the bitter kiss of death
Or have to walk thru chilly Jordan to enter into rest
But I did say I'd be waiting right on the other side
And I did say I'll dry every tear you've cried

'Cause you know I made a promise that I've prepared a place
And someday sooner than you think, you'll see me face to face
And you'll sing with the angels and a countless multitude
This is the promise, this is the promise I've made to you

So just keep on walking, don't turn to the left or right
And in the midst of darkness, let this be your light
That hell can't separate us and you're gonna make it thru
This is the promise, this is the promise I've made to you
Oh, this is the promise, this is the promise I've made to you

Holy Warrior

Holy Warrior, standing on the battlefield alone
Though it seems, you've stood for so long
Simply trusting even when there wasn't any way

Accusations flying from the enemy's side
All around you the arrows flown high
Is there no one who would stand at your side
Holy Warrior

And though battle weary you have stood the test
And the Father says "trust Me"
And the Father says "Rest"
And just for a moment
You hide in the shadow of His wing

In the desert, in a dry and barren place
I see you walking with integrity and grace
Though your battle shoes are tattered and worn
Holy Warrior

The Father's watching as you stand in His name
He sees the victory and you'll never be the same
As He reaches down His hand to defend

Holy Warrior vindication comes from His hand
God will honour your stand
You have conquered in the name of the Lord, Mighty
Warrior
In the name of the Lord, Mighty Warrior
In the name of the Lord, Holy Warrior

Open the Wells (Of Salvation)

Lord I am fondly, earnestly longing
Into Thy holy likeness to grow
Thirsting for more and deeper communion
Yearning Thy love more fully to know
Open the wells of grace and salvation
Pour the rich streams deep into my heart
Cleanse and refine my thought and affection
Seal me and make me pure as Thou art

Dead to the world would I be O Father
Dead unto sin alive unto Thee
Crucify all the earthly within me
Emptied of sin and self may I be

I would be Thine and serve Thee forever
Fill with Thy Spirit lost in Thy love
Come to my heart Lord, come with anointing
Showers of grace send down from above

Healing

Say goodbye to yesterday
Nothing standing in my way
Never was a guarantee
But in my heart I know there's got to be...

Healing, gonna take some time
I'm on the mend I'm healing
Starting over at the end and feeling
Stronger than I've ever been
I'm healing

I can see me pulling through
Finding out I'm someone who
Is moving on and letting go
Picking up the pieces on the road to...

The chapter's been written
It's all in the past
I kept turning pages and I'm here at last...

I'm healing
Stronger than I've ever been
I'm healing, I'm healing

In the Stillness

Here in the stillness my heart is at rest
Alone in the silence, that's where I hear You best
In the rush of the river, like a song in the breeze
It's here in the stillness You speak to me.

When I'm lost in Your presence the world disappears
Taking all of my troubles, my burdens, my fears
Oh how gently You hold me, You're all that I see
It's here in the stillness You speak to me

I will be still, I will stand in awe
Oh just to know You are my God
You are my God

Yes it's here in the stillness you speak to me
You speak to me

Hold Me Jesus

Well sometimes my life just don't make sense at all
When the mountains look so big
And my faith just seems so small

So hold me Jesus 'cause I'm shaking like a leaf
You have been King of my glory
Won't You be my Prince of Peace

And I wake up in the night and feel the dark
It's so hot inside my soul
I swear there must be blisters on my heart

Surrender don't come natural to me
I'd rather fight You for something I don't really want
Then take what You give that I need
And I beat my head against so many walls
Now I'm falling down, I'm falling on my knees

And this Salvation Army band
Is playing this hymn
And Your grace rings out so deep
It makes my resistance seem so thin

So hold me Jesus cause I'm shaking like a leaf
You have been King of my glory
Won't You be my Prince of Peace

You have been King of my glory
Won't You be my Prince of Peace

Let the Pages Fall Open

In silence we're waiting, like songs with no voice
Our souls are unsteady but we have a choice
So we'll wait by the waters as dry as the sand
Where there's one set of footprints
You held us in Your hand

Let the pages fall open
Lay Your praises on our tongues
Let Your poetry consume us, O Chosen One
In the depth of Your words we're unbroken
Let the pages fall open

You spoke Your words of love and when the ink was dry
It passed down through the ages to quell our cry
And the thirst has never been deeper
The hunger never so great
Every heart will open their eyes
The whole world will awake

The old testament purifies
Psalms raise up our lives and the new book has us look
Deeply in Your eyes

In the depth of Your words we're unbroken
In the depth of Your heart we're unbroken
Let the pages fall open

He Will Come and Save You

Say to those who are fearful hearted
Do not be afraid
The Lord your God is strong with His mighty arms
When you call on His name
He will come and save

He will come and save you
He will come and save you
Say to the weary one Your God will surely come
He will come and save you
He will come and save you
He will come and save you
Lift up your eyes to Him you will arise again
He will come and save you

Say to those who are broken-hearted
Do not be afraid
The Lord your God is strong with His loving arms

When you call on His name
He will come and save

He is our refuge in the day of trouble
He is our shelter in the time of storm
He is our tower in the day of sorrow
Our fortress in the time of war

He will come and save you
He will come and save you

It is Well

When peace like a river attendeth my way
When sorrows like sea billows roll
Whatever my lot, Thou has taught me to say
It is well it is well with my soul

My sin, oh, the bliss of this glorious thought
My sin, not in part but the whole
Is nailed to the cross, and I bear it no more
Praise the Lord, praise the Lord, O my soul

It is well, with my soul
It is well, with my soul
It is well, it is well, with my soul

And Lord, haste the day when my faith shall be sight
The clouds be rolled back as a scroll
The trump shall resound, and the Lord shall descend
Even so, it is well with my soul
